The Secretary to the Commissioner
for the Government of the territor
of His Highness the Rajah of
Mysore Bangalore

I have the honor in continuation of
my letter No 21 of the 26th November 1862
to state for the information of the Commis
sioner that upto the present year the Todd
contract except in Bangalore was alway
distinct from the Arrack contract, and
do not anticipate any difficulty in con
tinuing the former on the Sudder distri
system being established. It will be

spirit shops, but the amounts realiz
can be paid over to the contractor or be
deducted from his contract,

The accompanying statement
shows the amount realized during the
last 5 years for Toddy and Arrack
respectively the average of which was
Rupees 98,986 but considering the gre
ase
1862, and the tendency to increase
annually, the contractor would, I
think, have no cause for dissatisfactio
if the contract for Toddy was continued
for the remaining portion of his five
years at the rate of 110,339 Rupees each
year which as stated above was the amou
realized in 1861/62
